## Dwell on These Things

*".....I did not prove disobedient to the heavenly vision, but kept declaring both to those of Damascus first, and also at Jerusalem and then throughout all the region of Judea, and even to all the Gentiles..."*

*Acts 26: 19-20*

**On the road to Damascus** the risen Christ confronts Paul & instructs him as to the future nature of his work in the propagation of the gospel. As a consequence of this divine communication & commissioning Paul immediately sets out to preach the gospel in the synagogues of Damascus.

**No consideration is given** to the hardship & sufferings he must endure for Christ's sake as he determines from that time on to commit his life to serving & preaching "Jesus Christ & Him crucified" (1Cor.2:2).

**Paul's special calling** & his unwavering obedience to preach the gospel to the Gentiles bore much fruit. Paul himself testifies to his fulfilment of this missionary mandate in Romans 1:8 & 15:19. "in the power of the Spirit.....I have fully preached the gospel of Christ."

### 28. Sat. AUSTRALIA

### 31. Tues. EAST ASIA

Praise God for the **four languages**, (Japanese, Mandarin, Fujian & English) we broadcast to East Asia for 6.5 hours daily. Pray for God's anointing for the programs to produce much fruit for the Lord.

**Each one of us has received** no less a calling to ensure that the Good News is preached to the uttermost parts of the world, that all may hear.

**We cannot all go** but we can help to ensure that our Lord's mandate in Matthew 28:19 is fulfilled - we can pray & we can support the work of mission financially.

**Thank you for your prayers & support without which the work & ministry of HCJB Australia could not go ahead.** *Wes Taylor.*

**THERE WILL BE NO PRAYER MEETING AT THE STUDIOS THIS MONTH.**

**PLEASE WATCH THIS SPACE FOR FUTURE DEVELOPMENTS**

**BROADCASTS TO THE EAST ASIA REGION !!**

**We Praise God** for the programs we broadcast for six and a half hours daily in four languages; English, Fujian, Japanese and Mandarin, to the East Asian Region.

**While broadcasts to China and Japan** are our major aim, the East Asia Region also includes other countries such as Laos, Myanmar (Burma), Taiwan, Thailand, and Vietnam. Missionaries and Christian leaders in some of these other countries have asked HCJB Australia to consider the possibility of providing some broadcast time for programs in their languages.

### A BRIEF PROFILE ON THE LANGUAGES WE BROADCAST TO THE REGION.

**Fujian:** Spoken by over 26 million in Taiwan and adjacent mainland Chinese States. The major religions are Chinese and Buddhism. Christian population is only 6%.

**Broadcasts in Fujian:** 5 hours weekly.

**Japanese:** Spoken by over 128 million. 80% claim no personal religion, but many follow ancestor venerating Buddhism/Shintoism. Our broadcasts are produced by Kazuo Ozaki in USA and the Rev. Mineno of the Yodobashi Church in Tokyo.

**Broadcasts in Japanese:** 1hour weekly.

**Mandarin:** Spoken in China by about 1.3 billion. The major people group is Han Chinese 92%. Other ethnic minorities, 8%. The major religions are, Chinese/Buddhist 37%, non-religious, 50%. Christian 7.5%, other 5.5%. In spite of opposition, the Christian Church

*Christine & Kazuo Ozaki, Japanese Broadcasters*

is experiencing a time of rapid growth. Some of our Mandarin programs are produced in Hong Kong and are a significant part of our weekly schedule.

**Broadcasts in Mandarin:** 25.5 hours weekly.

**English:** Although not an official language in any of these countries, there is a growing interest in the learning of English, especially in China and Japan. The English programs we air to the region include; Music, Teaching English, Health Care, Bible Teaching, Sport, etc.

**Broadcasts in English:** 7.5 hours weekly.

**It is important that we work in harmony and fellowship** with other broadcasters in these strategic radio ministries. We are so grateful for the open sharing and fellowship we have with FEBC & TWR in the Asia Pacific Region as we minister to this vast and needy region.
